Abu Dhabi Pearl Journey

The Abu Dhabi Pearl Journey experience is the first cultural and tourism product of its kind in the capital. A *unique edutainment (Education + Entertainment) experience* to enrich people knowledge on the history of the pearling industry in the Arabian Gulf region, and how our forefathers dedicated their lives to collect thousands of seashells in hope to find a pearl... This program is offered and managed by *Emirati & International Cultural experts & guides*

The booking can be made at any-time *between 9:00 AM until 8:00 PM, everyday – 7 days a week*. The pearl journey will be starting at the time of sunrise, sunset, during afternoon, even in the evening. The recommended time is 5pm or 6pm as the sun is not too hot that gives a beautiful view and feeling while being in the sea surrounded by the great mangroves trees.

The guide will explain about the pearling industry, as playing a traditional "*hoyamal*" music which is an authentic cheering songs the pearling men used to sing.

And then the guide will provide the oysters which they just get freshly from the water and then the process of opening the oysters and *searching for the pearls begin*.

Taking photos of the great nature around, while enjoying owning the pearls and having some *traditional food, Arabic coffee, tea & dates*.

The trip is about 60 to 90 minutes maximum and our boat can only take up to 20 people per tour.
